Justification Letter

To: City Las Vegas, Nevada

Dear Sirs:

I am writing this letter to petition for a Zoning Change, Design Review, and two (2) variances: First, for parking that is eighteen (18) but twenty three (23) is required; Second, one (1) for distance separation between buildings that is five foot and six inches (5'-6") but ten foot (10') is required; two (2) rear set back is fifteen foot and seven inches (15'-7") but twenty foot (20') is required for multi-family dwellings for the properties that are located at:

Northeast Corner of McKnight & Poppy

APN= 139-25-410-022

The Current Zoning is R-E, and we apply for R-3.

This construction will be an improvement to the community, as well as provide affordable housing in a spacious and comfortable environment, by stucco, two (2) exterior color combination (Eggwhite and Viva Gold), stick built construction, asphalt shingles roof, two story, twenty five (25') feet tall, twelve (12) total units (three (3) buildings of four (4) units), each unit has two (2) bedroom and one (1) bathroom with 852 sqft. living space, and 10,224 sqft. total living space for this project.

I also hope to be an inspiration to surrounding home and land owners to build new structures or renovate existing structures to better the quality and look of the neighborhood.

I believe that this project will not only change the makeup of the neighborhood but can only bring good to the community.

If you have any questions, please contact Adan Castillo at (702) 524-6776. Thank you.
